ABOUT

activity that goes hand in hand with the homonymous puppet show from the puppet company Teatro e Marionetas de Mandrágora and it's an exhibition that will be shown alongside each presentation of that same puppet show.

This event pretends to encourage artists joining an international movement. It's also a way to provide artists the opportunity to show their work at Portugal and to spread the concepts of mail_art to other people.

Artists were invited to join sending their artwork by snail mail regarding the provided theme and title "QUEIXA_TE - D. Quixote e Sancho Pança".
