ABOUT

An important event that, promoted by The New York Boyer Foundation, invites all around the world artists to participate on this international art exhibition.

All work will be permanently archived at The New York Boyer Foundation.

At the end of the exhibition, The New York Boyer Foundation will send documentation to all artists.

The work of art will have to be presented individually identified, with a label in the back of the same with artist's name, title, media, size and year. Please provide also e-mail and website if the artist has one.
